

Kahoot Quiz Instructions

We will be playing in partners. You will need 2 devices. PC, iOS device, & android all work. 1 device will be for researching the answers to the quiz. 1 device will be to input your response.

1 device, the one for research, should have 1 window open at

UEN.org, one open at Pioneer.uen.org

1. Select a Partner.

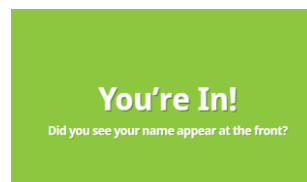

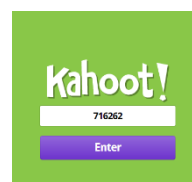

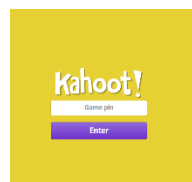

2. On the 2nd device Go to kahoot.it.com -

3. Check the presentation board (in front of room) for a Game Pin. The Game Pin will change every time you play.

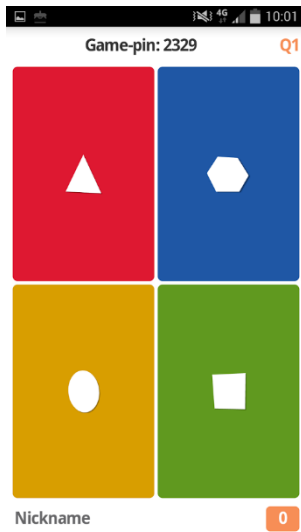

4. Enter the Game Pin - Click Enter

5. With your partner select a name for your partnership.

Kahoot Quiz Instructions

6. The game board on your 2nd device will look like this.

7. The length of time you will have to answer each question will depend on the question. It could be from 5 seconds to 60 seconds.
8. Get Ready!
